RESALE/CUSTOM OPTIONS

Your buyers card/purchase agreement (green card) should indicate the disposition of the animal as follows:

Resale – This is a way you can help an exhibitor without receiving the meat. Your purchase will be resold for you to the packer. Buyers selecting the resale option will receive a reimbursement for the resale amount. Resale amount can be calculated by weight of animal* x resale price. If the total cost of the animal was split among buyers, the reimbursement amount will be divided proportionally. *Maximum pay weights: Steers 1,350 lbs.; Goats 105 lbs.; Lambs 150 lbs.; Hogs 255 lbs.

Custom Process and Return – Fill your freezer with high quality meat. Pay for your purchase and processing costs. You must indicate on the green card the name of the butcher shop where you wish your meat delivered. (Sonoma County only, restrictions apply, official list is located in the back of this booklet.) You must call the butcher shop with your cut & wrap instructions within 48 hours of the auction and you will pay the butcher shop directly for cut & wrap charges, (even if you decide to donate the meat purchase to charity). The Fair is not involved in the arrangements made between the butcher shop and the buyer.
